See next page for Peak Vs Non-Peak and Training Information.

Girl Scouts of Southeastern Michigan Troop Camping Facilities and Rates - Effective 2/2/10

Peak/Off-Peak Rates

In order to allow as many girls as possible an outdoor experience, Peak/Non-Peak Seasons have been established. Peak Season for Camps Hawthorn Hollow, Innisfree, and Playfair includes: October, April, May and June. For The Timbers, Peak Season is January, February, March. Pricing during these periods is as follows:

- Option A: Group can agree to share building/unit with another GSSEM group. Group pays the Non-Peak Rate whether or not they are scheduled to share.
- Options B: Group wants to reserve a whole building/unit. Peak Rates apply, regardless of group size.

Training Requirements

The codes in the "training" column indicate recommended or required trainings. More information can found in the Learning Opportunities portion of the Leader Guide. Previous trainings will be accepted to meet corresponding requirements.

1= Groups not doing ANY outdoor cooking or campfires are encouraged to take **Camping and Trip Readiness** home study/online training. Groups doing outdoor cooking or campfires must take **Outdoor 1: Girls Sleep In/Cook Out**.

2= **Outdoor 2: Girls Sleep Out in Established Units** online or home study training required.
