GSSEM CAMPS

Camp Hawthorn Hollow - in Columbus (St. Clair County), features a fun free-choice program that allows girls to create a schedule that reflects their interests and abilities. There are also great performing arts and leadership training offerings. Other features include outdoor pool, equestrian center, and climbing wall/high ropes course.

Camp Innisfree - in Howell (Livingston County) has a year-round equestrian center with multiple riding rings and trail ride options. In addition to horseback riding instruction for beginner through advanced riders, there is a farm barn with various small animals. Sports, leadership, science, bikes, ropes course, and lakefront fun are all part of the Innisfree adventure.

Playfair Program Center - in Lexington (Sanilac County), serves K – 12th grade girls. The experience is one for troops to attend. The 18 acre camp on Lake Huron offers many of the program highlights that make traditional summer camp popular, such as campfires, arts and crafts, swimming and boating. We offer the traditional summer camp programs in a troop camp environment.

The Timbers - in Traverse City (Grand Traverse County), offers exciting trip programs to girls in middle school and older. Girls explore arts, canoeing, sailing, backpacking, and cycling. Progression is the key to this program, meaning that girls build on skills each summer they return, taking longer and more challenging trips. Girls entering grade 6: remember that you can choose from one or two week programs at The Timbers. In addition to trip programs, there are weeklong art, adventure, and swimming programs.

Our camps are accredited by the American Camp Association (ACA), which sets forth 400 standards for quality and safety. For more information including resources for parents please visit www.acacamps.org. Camps are also licensed by the State of Michigan.
