

CREATE A LASTING MEMORY. . .

If you've wanted to honor or commemorate someone but haven't known just how to do so, Girl Scouts of Southeastern Michigan may have the perfect opportunity for you, by purchasing a brick for the flag poles located at Camp Innisfree or our Clinton Township Service Center you will be able to "Create a Lasting Memory."

While remembering or honoring someone special you will be making a difference in the lives of the over 40,000 girls GSSEM serves.

To "Create a Lasting Memory," complete the coupon at the bottom and return it today. If you have any questions contact Kenya James at (313) 860-2562.

Brick Options:

Purchase a Brick at Camp Innisfree

- \$150
