Welcome to another great year of Girl Scouts!

A fun and successful year of Girl Scouts has three main ingredients: knowledge, engagement and the GSSEM Training Guide.

A large portion of this guide is devoted to training opportunities designed to support our volunteers in providing exciting and meaningful experiences for Girl Scouts.

GSUSA and Girl Scouts of Southeastern Michigan offer a variety of online, asynchronous trainings on our learning management system, gsLearn. Additionally, GSSEM hosts live trainings via Zoom on topics such as troop finances, behavior management, and highest awards. Be sure to explore what's being offered this fall!

Building connections among one another is crucial to strengthening the Girl Scout sisterhood. In this catalog you will find ways to engage with other Girl Scout volunteers.

Whether it's by becoming an administrative volunteer, connecting with the Girl Scout community near and far on Rallyhood, or getting to know your fellow volunteers at a GSSEM mixer event, we encourage you to seek the sisterhood outside your troop for support, guidance, and friendship in any way that feels right for you.

Be sure to join us **Monday, October 6, 2025** for the 2026 Membership Year Kickoff! This webinar will provide you with everything you need to jumpstart the new membership year, with updates from all GSSEM departments about their new initiatives and upcoming events.

Thank you for being a volunteer. We appreciate the time you give to build girls of courage, confidence, and character who make the world a better place.
