## Alfred The Aligator

Have you ever been down the waterspout,  
To the very bottom of the water system?  
There you'll find a little alligator  
Who goes by the name of Alfred, if you do,  
He's mine.  
I lost him!

I hurled him down the waterspout  
And now I'm feeling lonely,  
Cause he's gone,  
I miss him.  
I miss him.  
Awwwwwwwwwwww...

## Alice The Camel

Alice the camel has ten humps,  
Alice the camel has ten humps,

I'm squishing up the baby bumblebee  
Won't my mommy be so proud of me?  
I'm squishing up the baby bumblebee  
Buzz-a-buzz-a-buzz-buzz  
Ooh! It's yucky!

I'm wiping off the baby bumblebee  
Won't my mommy be so proud of me?  
I'm wiping off the baby bumblebee  
Now my mommy won't be mad at me

I'm bringing home a baby bumblebee  
Won't my mommy be so proud of me?  
I'm bringing home a baby bumblebee

## Barges

### CHORUS

Barges, I would like to go with you  
I would like to sail the ocean blue  
Barges, have you treasure in your hold?  
Do you fight with pirate's brave and bold?

Out of my window looking in the night  
I can see the barges flickering light  
Silently flows the river to the sea  
As the barges do go silently

### CHORUS

Out of my window looking in the night  
I can see the barges flickering light  
Starboard's shining green and port is glowing red  
I can see them flickering far ahead

### CHORUS

Out of my window looking in the night  
I can see the barges flickering light  
Anchors start to pull, and engines start to roar  
As the barges pull away from shore

### CHORUS

Out of my window looking in the night  
I can see the barges flickering light  
Stars are brightly lighting up the sky  
As the barges seem to skip right by

### CHORUS

Out of my window looking in the night  
I can see the barges flickering light  
Harbor ahead and anchorage in view  
I will find my resting place with you

### CHORUS

Away from my window on into the night  
I will watch till they are out of sight.  
Taking their cargo far across the sea  
I wish they would also take me

Says oh no, not yet  
Not yet not yet, not yet

 And my sisters, all over this land

 I'd ring out danger, I'd ring out warning  
 I'd ring out the love between my brothers  
 And my sisters, all over this land

 I'd sing out the love between my brothers  
 And my sisters, all over this land

Now I've got a hammer, and I've got a bell

 And my sisters all over this land

## Magic

### CHORUS

Magic is the sun that makes  
A rainbow out of rain  
And Magic keeps the dream alive  
To try and try again  
Magic is the love that stays  
When good friends have to leave  
I do believe in magic, I believe

When I was young  
I thought stars  
Were made for wishing on  
And every hole deep in a tree  
Would hide a leprechaun  
Old houses all had secret rooms  
If one could find the key  
I do believe in magic, I believe

### CHORUS

Growing up  
The grownups said  
Someday I'd wake to find  
That magic was a childhood dream  
I'd have to leave behind  
Like clothes that would no longer fit  
Or toys that I'd ignore  
I'd not believe in magic anymore

### CHORUS

When I grew up  
I realized  
That much to my surprise  
The magic did not fade away  
It took a new disguise

A friend, a child, a song, a smile  
The courage to stand tall  
I do believe in magic after all

### CHORUS

I do believe in magic  
I will always believe in magic  
Love is the greatest magic  
I believe

## Moon On The Meadow

Moon on the meadow, bugs in our ears  
Smoke in our eyes, wet wood and tears.  
On up the meadow, water somewhere,  
We were the only ones there.

Wild horses rushing, Dry Lakes, and Peaks,  
Finding the love there everyone seeks.  
Hiking to rainbows, sunsets and stars,  
Just finding out who we are.

We will return here one lucky day,  
Our hearts will guide us, they know the way.  
People in cities don't understand  
Falling in love with the land.

Moon on the meadow, bugs in our ears,  
Smoke in our eyes wet wood and tears.  
On up the meadow, water somewhere,  
With you, my friend, I am there.

## Mrs. O'Leary

Late last night while we were all in *bed*  
Mrs. O'Leary put a *lantern* in the shed  
And when the cow *kicked* it over,  
she *winked* her eye and said

Over everybody's shirty

## On My Honor

### CHORUS

On my honor I will try  
There's a duty to be done and I say I  
There's a reason here for reason above  
My honor is to try, and my duty is to love

People don't need to know my name  
If I've done any harm, then I'm to blame  
If I've helped another then I've helped me  
If I've opened up my eyes to see

### CHORUS

I've tucked away a song or two  
If you're feeling low, there's one for you  
If you need a friend, then I will come  
And there's many more where I come from

### CHORUS

Come with me where the fire burns bright  
You can see more clearly by candlelight  
But you'll find more meaning in a campfires glow  
Then you'll ever learn in a year or so

### CHORUS

We've made a promise to always keep  
And to sing softly falls before we sleep  
We'll be girl scouts together and when we're gone  
We'll still be a trying and a singing this song

### CHORUS

## One Tin Soldier

Listen children to a story that was written  
long ago.  
Bout a kingdom on a mountain and the valley  
folk below.  
On the mountain was a treasure buried deep  
beneath a stone.  
And the valley people swore they'd have it for  
their very own.

### CHORUS

Go ahead and hate your neighbor, go ahead and  
cheat a friend.  
Do it in the name of heaven. You can justify it in  
the end.  
There won't be any trumpets blowin' come the  
judgement day.  
On the bloody morning after. One Tin soldier  
rides away.

So the people of the valley sent a message up  
the hill.  
Asking for the buried treasure tons of gold for  
which they'd kill.  
Came and answer from the kingdom "With our  
brothers we will share.  
All the secrets of our mountain, all the riches  
buried there"

### CHORUS

Now the valley cried with anger "Mount your  
horses, draw your sword."  
And they killed the mountain people, so they  
won there just reward.  
Now they stood beside the treasure on the  
mountain, dark and red.  
Turned the stone and looked beneath it "Peace  
On Earth" was all it said.

### CHORUS

## On The Loose

### CHORUS

On the loose to climb a mountain,  
On the loose where I am free.  
On the loose to live my life,  
The way I think my life should be.  
For I've only got a moment,  
And a whole world yet to see,

And I'll be searching for tomorrow, on the loose.  
Have you ever seen the sunrise turn the sky  
completely red?  
Have you slept beneath the moon and stars  
with a pine bough for your head?  
Have you sat and talked with friends, though a  
word was never said?  
Then you're like me and you've been on the loose.

### CHORUS

There's a trail that I'll be hiking  
Just to see where it might go.  
Many places yet to visit,  
Many people yet to know.  
And in following my dreams,  
I will live and I will grow,  
On a trail that's out there waiting, on the loose.

### CHORUS

So in search of love and laughter,  
I'll be travelling through this land.  
Never sure of where I'm going,  
For I haven't any plans.  
But in time when you are ready,  
Come and join me, take my hand.  
And together we'll find life,  
Out on the loose!

### CHORUS

## On Top Of Spaghetti

On top of spaghetti, all covered with cheese  
I lost my poor meatball when somebody sneezed

It rolled off the table and onto the floor  
An then my poor meatball rolled out of the door

It rolled in the garden and under a bush  
And then my poor meatball was nothing  
but mush

The mush was as tasty as tasty could be  
And early next summer it grew into a tree

The tree was all covered with beautiful moss  
It grew lovely meatballs and tomato sauce

So if you eat spaghetti all covered with cheese  
Hold onto your meatball and don't ever sneeze

## Percy The Polar Bear

Way up in the land of the ice and snow  
Where the temperature drops to 40 below  
Who's the friendliest one we know?  
It's Percy the Pale-faced polar bear

Sleeps all day and then at night  
Catch a few fishes by the pale moonlight  
Has no worries has no cares  
He's Percy the pale-faced polar bear

Then one day hunter came  
Grabbed poor Percy by the snout  
Put him in a great big cage  
And he howled and he growled  
But he couldn't get out

Now he's living in the zoo  
Funny thing is he likes it too  
'Cause he met his girlfriend there  
And she loves  
Percy the pale-faced polar bear

I jump between the sheets  
Wearing NOTHING ON AT ALL!

Balmy breezes blowin through ya  
With nothing on at all!

Stan, stan, the lavatory man  
Chief inspector of the outhouse can  
He issues the tissues the papers and towels  
And listens to the rumble of the various bowels

Deep down under the ground  
Where all the little poopies go swimming around

Stan, stan, the lavatory man  
Is scooping up the poopies in his little tin can

Down the hall and against the wall  
There sits stan in his stall  
He twiddles his thumbs as he watches time pass  
He's constipated all he's got it gas

## Sippin' Cider

The cutest boy I ever saw  
Was sippin ci---der through a straw

I asked him if he'd show me how  
To sip some ci---der through a straw

He said "of course I'll show you how  
To sip some ci--der through a straw"

First cheek to cheek then jaw to jaw  
We sipped some ci---der through a straw

And now and then that straw would slip  
And we'd sip ci---der lip to lip

And now I've got a mother-in-law  
And 49 kids who call me ma

The moral of the story is  
Don't sip ci---der through a straw

DRINK MILK!

Well I walked around the corner  
And I walked around the block  
And I walked right into a doughnut shop

And I picked up a doughnut  
Fresh from the grease  
And I handed the lady a five-cent piece

Well she looked at the nickel  
And she looked at me

Is no good to me  
There’s a hole in the middle  
And it goes right through”

I said “there’s a hole in my doughnut too  
Thanks for the doughnut, goodbye!”

## The Hippopotamus Song

What can make a hippopotamus smile?  
What can make her walk for more than a mile?

Or cakes and candies that make her fat  
That’s not what hippos do!  
What do they do?

## CHORUS

They ooze in the gooze without any shoes  
They wade in the water till their lips turn blue  
That’s what makes a hippopotamus smile

What can make a hippopotamus smile?

It’s not a tune on the old violin  
Or listening to the whispering wind  
That’s not what hippos do!  
What do they do?

Who can sail where there is no wind?  
With no oars to be rowing?  
Who can sail far away from a friend?  
With no tears a flowing?

I can sail where there is no wind,  
With no oars to be rowing  
But I can't sail far away from a friend  
With no tears a flowing

We'll send our wishes out o'er the sea  
In little boats all a glowing  
We'll make a wish for you and me  
With our love a flowing

And as our wishboats drift away  
A wish I am making for you  
I hope to see you again someday  
And may this wish come true.

40 years on an iceberg  
Over the ocean wide

The air was cold and frosty  
The frost began to bite  
I had to hug a polar bear  
To keep me warm at night!

*\*repeat by humming the first line, then the first two and so on. When you have hummed all of the lines, go back to singing all of the words as loud as you can!*
