

# 2025 Cookie Rewards Top Seller Info Page

Please review this document for more information on the Top Seller events and trips for the 2025 Cookie Program.

## General Information

Top Seller rewards are rewards that are earned at the 750 level and above. At the 750 level, the 1,250 level, and the 3,000 level, Girl Scouts can earn special events or trips, which are laid out in this informational hand out. These events/trips are hosted on specific dates throughout the summer; **there are no make-up dates. If a Girl Scout is not able to attend the event(s)/trip(s) on the scheduled dates, she should choose the alternative reward option.** Please reference the 2025 Cookie Order Card for more information on alternative reward options. Girl Scouts are not able to attend the Top Seller events/trips if their troop opts out of rewards. Caregivers of Girl Scouts who earn Top Seller rewards should communicate their Girl Scout's reward selections to their troop leader as soon as possible.
