Cookies and Milk Dessert Showcase!

Hey, Girl Scouts!

Introducing the Cookies & Milk Dessert Connection Showcase—a fun and exciting way to boost your sales and share the delicious possibilities of Girl Scout Cookies with your community!

Here's how it works:

1. Connect with local restaurants, coffee shops, work cafeterias, or favorite dessert shops and ask them to partner on a unique Girl Scout cookie promotion*.
2. Working together with your partner business, come up with a dessert recipe using Girl Scout Cookies. The partnering business will feature the dessert on their menu for customers to purchase during the business's chosen time. For example, Valentine's Day or St. Patrick's Day.
3. Once the partnering business commits and places an order, submit the Girl Scout Cookies & Milk Dessert Connection form (on the Cookie Seller Resources page on gssem.org) and we'll take care of the rest.

**Participating businesses will need to purchase cookies from their partner Girl Scout Juliette or troop for the purpose of dessert sales.*

Promotional support

Partnering businesses will receive GSSEM website, social media and special advertising promotion through April 5, 2026. Businesses will also receive a special Girl Scouts supporter window cling to post in their business.
