

# 2026 Cookie Rewards Top Seller Info Page

Please review this document for more information on the Top Seller events and trips for the 2026 Cookie Program.

## General Information

Top Seller rewards are rewards that scouts earn at the 750+ box level and above. Girl Scouts can earn special events/trips at the following Top Seller reward levels this season: 750+, 1,250+, 1,600+, 2,026+, and 3,000+. These events/trips are hosted on specific dates throughout the summer; **there are no make-up dates. If a Girl Scout is not able to attend the event or trip on the scheduled dates, she should choose the alternative reward option at that level.** Please reference the 2026 Cookie Order Card Order Card for more information on alternative reward options. Girl Scouts are not able to attend the Top Seller events/trips if their troop opts out of rewards. Caregivers of Girl Scouts who earn Top Seller rewards are responsible for communicating their Girl Scout's reward selections to their troop leader.

## 750+ Level – Movie Day Cookie Celebrations

This event will require scheduled time slots, which will be coordinated directly with those who earn/choose this reward as we get closer to the event date.

### GSSEM Summer Camp – TBD

The 2026 Summer Camp dates and information will be available in early 2026. Once available, the camp information will be posted on the GSSEM website and sent out via eBudde. Girls earning the camp reward will be contacted in mid-April 2026 to select their camp.

**Note:** Girls that want to attend a specific week of summer camp may consider registering for that week when registration opens by paying the required deposit. This will ensure the camp does not fill up before the summer camp rewards are processed. Once the summer camp rewards are processed, your deposit will be refunded.
