

Small businesses unite!

Girl Scouts Cookie Entrepreneur Day is March 14!

As a small business owner, you know the power of coming together in support of other small businesses. Girl Scouts Cookie Entrepreneur Day is our version of Small Business Saturday—one Saturday in which Girl Scouts unite with other small businesses to harness the power of shopping small. Invite a Girl Scout troop to host a cookie booth at your small business on March 14 and draw cookie lovers (and new customers) to your business. Let's celebrate small businesses...from one entrepreneur to another.
