2027 Cookie Rewards Top Seller

Please review this document for more information on the Top Seller reward experiences for the 2027 Cookie Program.

General Information

Top Seller rewards are rewards that scouts earn at the 750+ box level and above. Girl Scouts can earn special events and trips at the following reward levels this season: 750+, 1,250+, 1,600+, 2,027+, 3,000+, and 5000+. These reward experiences are hosted on specific dates throughout the summer; **there are no make-up dates. If a Girl Scout cannot attend the event or trip on the scheduled dates, she should choose the alternative reward option at that level.** Please reference the 2027 Cookie Order Card Order Card for more information on alternative reward options. Girl Scouts cannot attend the Top Seller events or trips if their troop opts out of rewards. Caregivers of Girl Scouts who earn Top Seller rewards are responsible for communicating their Girl Scout's reward selections to their troop leader.

This trip will be open to girls entering 7th grade or higher in the fall of 2028. Girl Scouts graduating high school in 2028 may also participate.
