December 4, 5, 6: Fall reward pick-ups at GSSEM Service Centers

December 8: ACH sweep of Fall Product Program funds owed to GSSEM

December 12: Refunds (monies owed to troops) processed

Fall Product Program Basics

There are two sales components to the Fall Product Program: in-person and online sales of nuts/candy, and online-only sales of magazines (as well as some other fun products)! Your troop is welcome to participate in one or both sales programs.

Our product partner for the nuts/candy portion of the Fall Product Program is Trophy Nut Company, and our partner for the magazine sales is M2 Media Group.

Troops earn 12.5% on nuts and candy and 2.5% online from mags and more items!

Product Pick-Up

Fall products will be picked up at GSSEM Service Centers on November 6, 7, and 8. Your troop will select your preferred pick-up location and date in M2oS when submitting your troop's order.
