

Your Chance to Mentor Future Leaders

Your talents and experience have the power to change girls' lives, so we'd love for you to be a mentor! **Mentoring Mondays** are a weekly experience that give Cadette, Senior, and Ambassador Girl Scouts the chance to engage with professional women from various career fields. Each mentor leads an interactive, one-hour session where they share their experiences, job responsibilities, and more—as well as answer questions. Volunteer today!

For program questions, please, contact Karen Chappell at kchappell@gssem.org. For registration questions, please contact helpdesk@gssem.org.
