Brownie Safety Award

It is important to stay safe. Complete these five steps to earn the award.

1. Make a poster of at least three important rules for playground safety.

You might use:

Crayons

Markers

Colored paper

Poster board

2. Find a map of your own community and mark where you will find the police station, fire station, tornado shelters and other important points are located.

3. Every home needs smoke detectors. Talk with an adult about how it works and ask them to test it to assure it is working. How often do batteries need to be changed? _____
   How can your family remember to do this? _____

4. Plan a trip for the future maybe to an amusement park, the store, the beach and make a safety plan with an adult.
   a. What to do if you were separated from your family?
   b. What to do if a stranger approaches you?

5. Talk with an adult what natural disasters are most common where we live? It might be flooding, high winds, tornados.
   a. Create a plan what to do if they happen.
