

Girl Scout Brownie Safety Award

The updated Safety Award is earned by following a five step process for staying safe, tailored to Girl Scout Brownies. The color of the cross on the pin corresponds to the Brownie grade level color.

How to earn the Safety Award

Complete the following guidelines to earn the Safety Award:

1. Talk to a teacher, parent, or another adult about how to stay safe at school. Make a list of the three most important rules for playground safety or safety on the school bus.
2. Get a map of your neighborhood or town and mark where the police station, fire station, and other important points are located.
3. Find out how a smoke alarm works. Test the one at your home so you know what it sounds like and to make sure it is working.
4. Choose an upcoming trip to plan to take to a carnival, amusement park, the mall, or even just the grocery store—make a safety plan with an adult. Find out what to do if a stranger approaches you in a public place.
5. Find out what natural disasters are most common in your area (earthquakes, blizzards, hurricanes, tornados, floods) and discuss with your family or another adult what to do when they happen.
