

# Girl Scout Junior Safety Award

The updated Safety Award is earned by following a five step process for staying safe, tailored to Girl Scout Juniors. The color of the cross on the pin corresponds to the Junior grade level color.

## How to earn the Safety Award

Complete the following guidelines to earn the Safety Award:

1. Know what the most common injuries are for kids your age. Make a list of how to prevent them and do a home safety audit to check for dangers around the house.
2. Know the evacuation route for your home or Girl Scout meeting place. In the case of fire, know where your main exit is, and plan an alternative way to get out if the first exit is blocked.
3. Know how to read weather signs. You will know when to head indoors and get to safety.
4. Learn about bicycle safety. Research why biking helmets are important and how to check if a helmet fits you properly.
5. Go on a hazard-identification walk along a local hiking trail, bike trail, or horse trail.
