Ready, Set, Kindergarten!

Starting kindergarten is a big step, and you obviously want your girl to feel as comfortable and confident as possible from day one. Let Girl Scouts stand with you to support and inspire her as she makes new friends, meets new teachers, and tests out new ideas. Our girl-centered kindergarten readiness series are free and open to any girl entering kindergarten this fall.

This August, Girl Scouts of Southeastern Michigan will begin hosting *Make New Friends*, a 4-part virtual series. This virtual event will allow your girl to connect with the same friends each week, as well as Girl Scout staff who will lead her through sessions about language and literacy, cognition approaches to learning, and social and emotional learning.

To register, visit **gssem.org/kready**.

Questions? Call GSSEM at 800 482 6734 and ask about *Make New Friends*.
