Troop Travel Participant Behavioral Agreement

Purpose

Girl Scout troops/groups represent the Girl Scout movement wherever they go. This form outlines ways in which participants in a troop/group travel experience will conduct themselves. It is to be completed by all participants, both youth and adult, in a troop/group travel experience. The due date of the form is at troop/group leadership's discretion.

Participant Agreement

I understand that my attitude and behavior are critical to the success of this travel experience. Therefore, for the good of the trip and its participants, I agree to the following:

1. I will uphold the Girl Scout Promise & Law at all times during the trip.
2. In preparation for this trip, I must attend scheduled planning meetings and complete any assignments or forms deemed necessary by troop/group leadership.
3. I will participate fully in the trip, including performing my assigned duties and daily responsibilities throughout the trip and participating in troop/group activities.
4. I will be an active and considerate member of the troop and include everyone in activities.
5. I will respect the places and the people with whom I come in contact.
6. I will not use or consume alcohol or drugs and I understand that usage during the event will result in my expulsion from the event.
7. I am responsible for my personal belongings and will not hold the troop/group or Girl Scouts of Southeastern Michigan responsible for their loss due to my negligence.
8. I will follow troop/group leadership's instructions and that any rules they deem necessary are for the safety of the troop.
9. If I am sent home early due to any serious misconduct, it will be at my/my family's expense. Should this happen, I/my family will not receive the portion of troop funds that would have been used to pay for the participant on the trip.
