girl scouts of southeastern michigan

December 8, 2021

Dear GSSEM Volunteer Recognitions Committee:

Please consider [Volunteer] for the Thanks Badge II.

I'm writing to recommend [Volunteer] for the Thanks Badge II. [Volunteer] is long-time member and volunteer at Girl Scouts of Southeastern Michigan, and she's had roles serving troops, her service unit, her community, and the Council.

I've had the opportunity to work with [Volunteer] in her role as an Adult Facilitator. In 2013, GSSEM began to reevaluate our presentation of conflict management training for volunteers, and [Volunteer]'s professional background in adult learning was an invaluable resource. [Volunteer] assisted—and often times took the lead—as we modified the content and delivery of this important training. [Volunteer] also pioneered the delivery of the conflict management training at service unit and community meetings.

In the fall of 2014, GSSEM began the process of reevaluating the delivery method of all of our training and began developing a more robust eLearning curriculum. [Volunteer] has provided valuable feedback while serving as the voice of the Adult Facilitators to help ensure we're developing and offering and the best product.

[Volunteer] is always available for meetings and provides additional support whenever needed. Her service and leadership is essential to the continued success and growth of GSSEM's training and eLearning curriculum.

Sincerely,

[Nominator]
