

# Community Troops Need Leaders Like You

GSSEM needs you to step forward for our Community Troops. Community troops are for Juliette Girl Scouts who want troop experience, and Girl Scouts who may not have active troops in their area.

We're not asking for a long-term commitment, **just three hours.**

**Three hours** working with a GSSEM staff member in preparing and running activities to help a Girl Scout earn a badge.

**Three hours** to connect with the future, be a positive influence, and make a lasting impact.

**Three hours** to help develop a young woman of courage, confidence, and character who will make the world a better place.

**Just three hours.**
