

GO! Skills Kits – Frequently Asked Questions

HOW DO I REGISTER MY DAUGHTER?

Registration links for the GO! Skills Kits are on the [event list](#) or on the GO! Skills Kits [webpage](#). You can also find them by directly searching for them in [eBiz](#). When you register, you'll choose what, when, and where you'd like to pick up your kit.

- What – Pick the GO! Skills Kit(s) you'd like.
- When – Pick the date you'd prefer to pick up the kit.
- Where – Pick the location you'd prefer to pick up the kit.

MY DAUGHTER ISN'T A GIRL SCOUT; CAN SHE STILL REGISTER?

Non-Girl Scouts are welcome to participate. Please contact helpdesk@gssem.org and someone from our Customer Care team will reach out and help you register.

I'M NOT FROM THE GSSEM COUNCIL; CAN I STILL PARTICIPATE?

GO! Skills Kit pick-ups are only available at select locations in GSSEM at this time; we're not able to ship the kits. However, if you'd like to pick up your kit at the nearest pick-up point close to your home, we're happy to have you participate! If you're registering from out-of-council, please email helpdesk@gssem.org and our Customer Care team will reach out and help you register.

IS EVERYTHING I NEED IN THE KIT?

The GO! Skills Kits include fun Girl Scout SWAG and—when needed—some of the more uncommon or specialty items girls will need to complete projects. Some of the kits will need girls to find additional items to complete activities, but they'll always be common household items.

For those who need to borrow equipment to complete their experience, please email lbruer@gssem.org to arrange for use of equipment from the GSSEM Gear Loan Library.

ARE THE PATCHES INCLUDED?

The patches for the GO! Kits aren't included in the kit. They can be purchased through a GSSEM council shop or at the online store, found at gssem.org/store.

HOW WILL YOU ENSURE MY FAMILY'S HEALTH AND SAFETY AT PICK-UP LOCATIONS?

GSSEM takes your and your family's safety seriously. When packing or handling the GO! Skills Kits, staff will be following CDC and state guidelines for cleanliness and mask wearing.

WHAT'S THE PROCESS FOR PICKING UP MY GO! SKILLS KIT?

When you arrive at the pick-up location, you will see the white GSSEM van set-up with tables next to it. You can pull up to any table; please don't exit your vehicle.

GSSEM staff will check our list for your registration, pull your kit(s), and place them on the table. Once the kits are on the table, you can exit your vehicle and take your kits.
