

Request a Badge Boss Workshop

The Badge Boss program connects a few good women (and men) with your troop to help them complete requirements to earn awesome Girl Scout badges. Troops can sign up to request a Badge Boss volunteer and we'll take care of placement, scheduling, and securing the resources you'll need to facilitate your badge workshop.

Badge Boss volunteers utilize their expertise to help girls complete requirements to earn Girl Scout badges.

For program questions, please email
Karen Chappell at kchappell@gssem.org.
For registration questions, please email
